

FOR IMMEDIATE RELEASE

TMS INTERNATIONAL APPOINTS NEW CFO

PITTSBURGH, February 2, 2018 – TMS International, a leading provider of outsourced industrial services to steel mills globally, today announced that Kirk D. Peters has been named Senior Vice President and Chief Financial Officer.

Mr. Peters joined TMS in 2005 as Manager of Financial Reporting. Since that time, he has held a number of important positions within the organization and has played a key role in the Company's financial transactions and reporting. Most recently, Mr. Peters served as Interim Chief Financial officer, as Vice President of Financial Reporting and Analysis, Principal Accounting Officer and Treasurer of TMS.

Mr. Peters began his career at Price Waterhouse, LLP in Pittsburgh and then served in a number of financial positions of increasing responsibility at an integrated steelmaker in Weirton, West Virginia, prior to joining TMS.

A native of Pittsburgh, Mr. Peters earned his Bachelor's Degree in Business Administration and Accounting from Bucknell University in Lewisburg, PA.

"Kirk has been an integral part of the Company's finance and accounting teams since joining TMS and I am very pleased to announce his promotion," said Raymond Kalouche, President and CEO. "Kirk is highly qualified to assume this important role. He is meticulous, results driven and will continue the Company's mission of creating value and providing outstanding service to its customers. His extensive experience is a tremendous asset to the Company as we continue to grow."

About TMS International Corporation

TMS International Corporation is the largest provider of outsourced industrial services to steel mills in North America as measured by revenue and has a substantial and growing international presence. TMS International Corporation's services are critical to its customers' 24-hour-a-day operations, enabling them to generate substantial operational efficiencies and cost savings while focusing on their core business of steel making. Over the past 80 years TMS International Corporation has established long-standing customer relationships and currently serves some of the largest steel producers in the world.
